RE: Co-op cyber security intern

I am writing to express my interest for the position of Co – op cyber security inter with Lockheed Martin as advertised through indeed website. I am pursuing 2nd year of my Bachelor of Computer Science degree at Dalhousie University. I am student with a curious mind and have been working on a Front-End developer course for one month and which will be completed by March 2022. I am confident that my in-dept knowledge and skills that I have acquired through academic coursework, projects, and passion for developing high-quality solutions will make me an asset for this position. Working for your company is a great opportunity for me to learn and build my technical and professional skills.

I have been practicing coding with different types of programming languages like **C**, **C++**, and **Java** for more than 4 years which has helped me improve my **problem-solving and analytical skills**. In addition to that, I have also built a dynamic news website by using **HTML**, **CSS**, and **JavaScript** so I have a good knowledge about **web development** too. Not only technical skills, but I have also developed **communication, leadership and designing skills** while I worked with Dalhousie university's google student developer club as a **graphic designer**, creating designs for various seminar, webinars, and other events working with team of people. I also have a good knowledge of **MySQL** and developing **databases** as I have worked on a database project before as mentioned in my resume, working on these projects with people from different age group made me a team player and enhanced my interpersonal skills. Moreover, as shown on my transcript I have scored A+ on all my writing courses which helped me **excel at academic writing** a Furthermore, I am willing to learn new technologies that will allow me to widen my technical horizons and contribute to your organization.

I am excited to contribute my technical abilities and support towards your team to help your company achieve its goals. Please review my resume for a more in-depth illustration of work history and accomplishments. I would be pleased to meet with you for an interview to discuss the position and my qualifications further.

Thank you for your time and consideration,

Warm Regards,
Maxine Patel.
