Ms. Amber Rogers,
36 Solutions Drive, Suite 300,
Halifax, Nova Scotia, B3S 1N2, Canada.

Dear Ms. Rogers,

I am writing to express my interest for the position of WebApp Programmer with Bluedrop Training and Simulation Inc. as advertised through the Dalhousie myCareer website. I am pursuing 2nd year of bachelor's degree in Computer Science at Dalhousie University. I am a self-motivated student with a curious mind, and I am confident that my in-dept knowledge and skills on web development and programming that I have acquired through academic coursework and projects will make me an asset for this position. Working for your company is a great opportunity for me to learn and build my technical and professional skills.

I have a strong knowledge of **PHP** server-side framework, as I learned it for one of the courses during high school. Moreover, I have built a dynamic university academic time-table website by using **HTML, CSS, and JavaScript, and JSON** for one of the course projects. I also have a good knowledge of **MySQL** and developing **relational databases** as I have worked on a database project before as mentioned in my resume, for this project I worked with team of people from different age groups which helped me develop interpersonal skills. Additionally, I have also developed **communication, leadership and designing skills** while I worked with Dalhousie university's google student developer club as a **graphic designer**, creating designs for various seminar, webinars, and other events working with team of people. I have been practicing coding with different types of programming languages like **C, C++, and Java** for more than 4 years which has helped me improve my **problem-solving and analytical skills**. Furthermore, I am willing to learn new technologies that will allow me to widen my technical horizons and contribute to your organization.

I am excited to contribute my technical abilities and support towards your team to help your company achieve its goals. Please review my resume for a more in-depth illustration of work history and accomplishments. I would be pleased to meet with you for an interview to discuss the position and my qualifications further.

Thank you for your time and consideration,

Warm Regards,
Maxine Patel.
